KX-TS62 CATALOG

Description

If it is a dependable landline phone you are looking for, this **Panasonic Kx-Tsc62Sx Corded Landline Phone** would be a great choice. Laden with features that add an edge to its functionality and utility, this landline phone supports the subjective and objective needs of modern day telecommunication. Given the present relationship of mankind with communication, it can be easily said that a decent telephone at disposal is a basic necessity to function in society. Be it for the workplace or home, this phone compliments such an important need. The phone is also provided with a 1 year Panasonic India warranty.

Corded phone

Equipped with a corded make, this **Panasonic Kx-Tsc62Sx Corded Landline Phone** is highly functional. The curl cord is long and provides enough room for mobility and movement while on the call. The cord allows clear and uninterrupted transfer of voice without any interference or distortion.

Keypad and display

This Panasonic phone is equipped with an alphanumeric keypad. The keys on the keypad are extremely soft and easy to use. The response rate of the keys is high so you will not find it difficult to key in the phone number while dialling. There are also other keys which either have a designated function like redial or help in navigation. The dial lock features helps you lock the keypad. It also has a 16 digit monochrome backlight display.

Memory

This phone is capable of storing 30 numbers on call log and 5 numbers on redial.

KX-TS62 CATALOG

Caller identification and handsfree feature

This phone is caller ID compatible. It is also equipped with a speaker with the use of which you can use the phone on handsfree mode and speak on loudspeaker.

Design and colour

This phone has modern look and is sleek. The make is ergonomic which promotes better handling. This particular model is black in colour and will suit various kinds of decor themes. It also wall mountable too.
